

Wilhelm und Else Heraeus Seminar #702: Otto Stern's Molecular Beam Research and its Impact on Science

Tuesday, 3 September 2019

High Precision Measurements: Peter Toschek, Chair (09:00 - 10:30)

time	[id] title	presenter
09:00	[18] Keynote: Precision experiments for the revised SI - and the future of time	Prof. ULLRICH, Joachim
09:45	[19] Precision Physics in Penning Traps Using the Continuous Stern-Gerlach-Effect	Prof. BLAUM, Klaus
